

Name: Allan David Oswald

Title: Former Director and Former Vice President

Allan is married with three daughters and eight grandchildren. Joined Duntryleague in 1987 until moving to Switzerland for an expat posting in 2006. Re-joined in 2014.

Has worked extensively throughout Europe, South Africa, Asia and Oceania.
Currently working with a local manufacturing company as Senior Manufacturing Manager.

A highly adaptable, creative, enthusiastic and skilled professional with project management experience in foods, mining, and construction. A good leader with independence in setting goals, time management and decision making, while being a reliable team player with strong interpersonal skills.

Highly successful in the field of industrial performance, with a focus on strategic planning for investment and product sourcing. Extensive track record in preparing, implementing and managing projects, focusing on analysis of new manufacturing facilities, complexity evaluation and simplification, working closely with all functions of a global company.

Expertise in the food industry as a project manager, specialising in plant optimisation, packaging and process improvement at a factory level by theoretical and practical means. Able to successfully prioritise projects, manage budgets, and meet deadlines. Regarded highly as a good communicator at all levels as well as a polished and confident presenter and speaker.
