

## Leon Cheney

Born in 1961 and resided in Eugowra up until finishing school at Red Bend College Forbes in 1978. Member of the Eugowra Golf Club as a junior. Played in Forbes throughout my school days.

Enlisted in the Royal Australian Air Force in 1978. Tours of duty in many various locations in Australia and overseas - 3 years in Singapore (member of Sembawang Country Club) as well as just over 12 months in Egypt in the Multinational Force and Observers Peace Keeping operation. Played golf in all locations and was a member of the RAAF Golf Team.

After RAAF service I returned to Orange in 1987 and joined the family business - Westruss Timber wall frame and roof truss manufacturer. Joined Duntryleague League Golf Club in 1988 and played until 1995 prior to relocating to the Gold Coast.

I returned from the Gold Coast to take up a manager role at Westruss in 2016. In the past couple of years my Daughter has taken over the running of Westruss but i am still on hand as required - thus more time on hand to pursue other interests (Duntry League committee) coming up to retirement.
