

My name is Sam Morgan and I am 45 years old. I have been a member of Duntryleague for approximately 10 years.

I was born and raised in Orange, taking up golf at the age of 8. Upon graduating from the NSW Police Academy in 2007, I was posted to Surry Hills before returning home to Orange in 2010. After 12 years with the NSW Police Force, I retired in 2019 to pursue my passion for architecture.

Today, I run my own architecture company, Sam Morgan Designs. Running my own company allows me to spend a generous amount of time playing golf, not only socially, but also in competition, representing Duntryleague in Pennants. I was a member of the winning 2023 Division 2 Pennants team and I captained the 2024 Division 2 team. I won gold and silver medals for golf in the Australasian Police and Emergency Services games in New Zealand in 2023.

Running a successful company and being self employed not only allows me time to play golf, but also to give back to Duntryleague through financial sponsorship and volunteer work. Last November I renovated the flag pole near the practice putting green in preparation for Remembrance Day. I was employed to undertake renovation work in the clubhouse a number of years ago.

My life experiences have given me leadership qualities, understanding of laws, rules and regulations, communication skills and discipline. These attributes equip me with the required skills to represent Duntryleague as Captain.
