Born to a Scottish mother, Mark had little choice to become a keen golfer. He has been a member of Kogarah golf club in Sydney from 12 years old. He then progressed to a scratch handicap before taking up a PGA Traineeship at NSW GC from 2000 – 2005. Mark has also been a member of Cowra GC and now Duntryleague GC.

My family and I moved to Orange in 2019. My wife works at Bloomfield in the Mental health department and my daughter attends Orange Anglican Grammar School. We are settled in Orange and intend to be here for the foreseeable future. We have made some amazing friendships and have found the community to be very welcoming.

I would be honoured to have the opportunity to be involved with the strategic planning and direction of Duntryleague Golf Club. It is a magnificent facility, which still has so much potential to grow and flourish in the Orange district.
